

## **Kelby K. Krabbenhoft**

Kelby K. Krabbenhoft has served as President/CEO of Sioux Valley Hospitals and Health System since 1996. Kelby's system-building experience and leadership have been vital in the integration and growth of Sioux Valley, which currently includes more than 150 healthcare facilities and represents more than 7,600 employees and over 300 physicians regionally.

A native of Mankato, Minnesota, Kelby received his Masters in Business Administration from Mankato State University and has been in executive positions in hospital and health system management for more than 15 years. He previously served as President/CEO of Freeman Health System in Joplin, Missouri, and Executive Vice President of the six-hospital, Sisters of Mary of the Presentation Health System in Fargo, North Dakota.
